A rare opportunity to see a newly established vineyard in the early stages of growth.

■ Duration: 1 hour

Cost: £10 per person including tea and Guernsey Gâche

Start: Reservoir Field, St Saviours, Guernsey

Book online at [www.reservoirviewvineyard.com](http://www.reservoirviewvineyard.com)

■ One of the family will show you around both our vineyard sites, telling you more about the process of site selection, varietal selection, planting, vineyard maintenance and our plans for wine making.

We keep groups small for a relaxed experience with plenty of time for questions.

Finish by soaking up the atmosphere with a cup of tea or coffee and a homemade slice of Guernsey Gâche amongst the vines.
